Re: GABRIELLA FLOORING

Don:

I would like to congratulate you on your new showroom location. As President of K Butler Development Group, Inc. in South Florida, it has been my pleasure to work with you over the past 15 plus years. We have had the opportunity to complete all different types of projects during that time – from one bathroom renovations to multi-story fire stations and million dollar mansions – and all receive the same attention to detail and craftsmanship.

As you know, our industry has its ups and downs and the down times tend to eliminate the get rich quick – fly by night – companies, and hardens the truly great businesses. We have both fought over the past few years to maintain the quality and efficiency that our customers have come to expect while at the same time trying to survive in a very slow construction industry.

It has been a pleasure to work with Gabriella Flooring in the past and we look forward to our next project together. Best of luck in your new facility.

Sincerely,
K BUTLER DEVELOPMENT GROUP, INC.

Kevin F. Butler II
President
